VOL - LIV Aizawl, Monday 06.10.2025, Asvina 14, S.E. 1947, Issue No. 710

NOTIFICATION

No.J-23011/3/2025-E&N, the 1st October, 2025: In exercise of the powers conferred by Section 53 of the Mizoram Liquor (Prohibition) Act, 2019 (Act No.8 of 2019) and in supersession of the Mizoram Liquor (Prohibition) Rules, 2022, the Governor of Mizoram is pleased to notify the Mizoram Liquor (Prohibition) Rules, 2025. It shall come into force throughout the state of Mizoram on the date of its publication by notification in the Official Gazette.

Vinod P. Kavle

Commissioner & Secretary to the Govt. of Mizoram
Excise & Narcotics Department

THE MIZORAM LIQUOR (PROHIBITION) RULES, 2025

In exercise of the powers conferred by section 53 of the Mizoram Liquor (Prohibition) Act, 2019; (Act No. 8 of 2019), and in supersession of the Mizoram Liquor (Prohibition) Rules, 2022 except things done or omitted to be done before such supersession, the Government of Mizoram hereby makes the following rules for enforcement of the Mizoram Liquor (Prohibition) Act, 2019 and for establishment of Departmental Store for warehousing of confiscated liquor, and for grant, cancellation and renewal of licence for consumption and possession of liquor and regulation for disposal of confiscated liquor to licensee, for grant and payment of reward to deserving enforcement personnel, and for regulating manufacture, possession, sale, transport and consumption of wine and local fruit beer manufactured from fresh fruits grown in Mizoram and produced in licenced winery and brewery in Mizoram, and grant, cancellation and renewal of licence for the purpose, and for prescribing procedure and conditions for such licence and to provide for the imposition of excise duty or fines thereon and for matters connected therewith, namely:-

CHAPTER – I
PRELIMINARY

1. Short title, extent and commencement. –

- (1) These rules may be called the Mizoram Liquor (Prohibition) Rules, 2025.
- (2) They shall have the like extent as the principal Act.
- (3) They shall come into force on the date of publication in the Official Gazette.

2. Definitions. –

- (1) In these rules, unless the context otherwise requires:–
 - (a) “Act” means the Mizoram Liquor (Prohibition) Act, 2019;
 - (b) “article” for the context and for the purpose of the Act and rules means anything seized under the Act;
 - (c) “brewery” means a building or a part of a building specified in the licence for the manufacture and storage of beer.
 - (d) “competent authority” means an officer empowered to issue licences and permits under the Act and rules as the case may be.
 - (e) “ethanol” means alcohol with the chemical formula C₂H₆O.
 - (f) “Excise & Narcotics custody” - for the context and application of these rules, the Excise & Narcotics custody means any secure storage which may comprise of any room, space or building established by the Excise & Narcotics Department for stock of confiscated Liquor, grape wine or any articles;
 - (g) “extra neutral alcohol (ENA)” means spirit obtained from rectified spirit by removing the water present as much as possible by treatment with quicklime or potassium carbonate. The Extra Neutral Alcohol of the Indian Pharmacopoeia should not contain more than one percent by weight of water;
 - (h) “fermentation” includes natural or artificial change which produces alcohol;
 - (i) “fortified wine” means wine the alcoholic strength of which has been increased by the addition of sugar or neutral spirit or other substances permitted by the Commissioner and which shall have not more than such per cent of alcoholic strength as notified by the Government from time to time;
 - (j) ‘grape’ means fruit of *Vitis* (grapevines) such as *Vitis vinifera*, *vitis lubrusca* and so on;
 - (k) “laboratory” means the laboratory of the Chemical Examiner of the Excise & Narcotics Department, Government of Mizoram or Forensic Science Laboratory, Mizoram or a laboratory in a plant;
 - (l) “licence” means a licence granted under the Act or these rules;
 - (m) “litre” means bulk litre of one thousand millilitres;
 - (n) “Officer-in-Charge of winery or brewery” means an Excise & Narcotics officer appointed for the purpose of supervising the operations in a winery or brewery;
 - (o) “pass fee” means fee collected for import and export of any wine or liquor excluding

Excise duty;

- (p) "*rectified spirit*" means plain spirit of strength of not less than 50° O.P. (Fifty degree over proof);
 - (q) "*spirit*" means any liquor containing alcohol obtained by distillation, whether it is denatured or not;
 - (r) "*grape wine*" means the fermented juice of fresh grapes grown in Mizoram and produced in licenced winery located in Mizoram which could be used as sacramental wine or as beverage;
 - (s) "*Year*" means the year beginning with 1st April and ending on 31st March the following year.
- (2) Words and expressions used herein, but not defined, but defined in the Act, shall have the same meaning as assigned to them in the Act.

CHAPTER – II

PAYMENT OF REWARD

Conditions for payment of reward. -

3. Any person eligible for reward under section 32A and 32B of the Act shall be given reward subject to the following conditions :-

- (1) The payment of all rewards shall be subject to availability of fund in the budget provision and the Commissioner shall record sanction for such payment.
- (2) The reward is purely an ex-gratia and shall be granted at the discretion of the Commissioner and cannot be claimed as a matter of right.
- (3) The amount of the reward shall be fixed by the Commissioner subject to the recommendation of the Reward Proposal Screening Committee.
- (4) Excise & Narcotics Officers above the rank of Inspector shall not be eligible for payment of reward.

CHAPTER - III

LICENSING AND REGULATION OF ESTABLISHMENT OF WINERY, BREWERY AND OTHER PLACES OF STORAGE

4. Application for licence. -

Any person desiring to obtain a licence to set up a winery or brewery in any place in which the Act applies shall apply in the prescribed form to the Commissioner giving the following particulars, namely :-

- (1) The name or names, and the address or addresses of the person or persons applying, if a firm, the name of every partner of the firm and, if a company, the registered name thereof;
- (2) The name of the place, the site and the building in which the winery or brewery is to be constructed;

- (3) The number and full description of the stills, vats and other permanent apparatus which the applicant wishes to work or set up, and the size and capacity of such still and such other apparatus.
- (4) The date from which, in the event of a licence being granted to him, the applicant proposes to commence working of the winery or brewery;
- (5) A plan of the building which he intends to use or to construct for his winery or brewery, and a plan showing the position of stills, vats and other permanent apparatus therein, and a list of store rooms, such other matter connected therewith.

5. Terms and conditions for issuing permit or licence. –

The licensee, on granting a licence for manufacture of wine or local fruit beer shall be bound by the following terms and conditions and shall be subject to any other instruction or notification of a competent authority –

- (1) The licensee shall not produce or store wine or local fruit beer except at the place specified in the licence and only under the supervision of the Officer-in-Charge of winery or brewery.
- (2) The licensee shall use only materials approved by the Commissioner.
- (3) The licensee shall maintain alcohol content as notified by the Government from time to time.
- (4) The licensee shall not dilute or adulterate the wine or local fruit beer, or store any wine or local fruit beer which he knows to be diluted or adulterated.
- (5) All receptacles shall be so placed and fixed as to facilitate the contents thereof being accurately gauged and measured. Each receptacle shall be gauged by the Officer-in-Charge of winery or brewery and shall bear a distinctive serial number and have its capacity distinctly and indelibly marked on it. A table showing the dimensions and capacities of the receptacles shall be maintained by the licensee for reference. Measuring labels shall be affixed to show contents at one centimetre of depth of each receptacle.
- (6) The licensee shall not discontinue the manufacture unless he has given to the Commissioner or any other officer so authorised three months prior notice of his intention to do so.
- (7) There shall be only one entrance to the plant and one door to the compartments or rooms. Security of such establishment shall be the responsibility of the licensee.
- (8) The licensee shall keep affixed on the outside of each room or compartment a sign on which should be conspicuously painted in oil colour, the purpose for which the room or compartment is intended to be used and no room or compartment or receptacle intended for a specific purpose shall be used for a different purpose.
- (9) (i) The licensee shall maintain accounts showing a correct account of-
 - (a) the period allowed for fermentation;
 - (b) the names and quantities of other ingredients, if any, added before, during or after fermentation and blending;
 - (c) the period allowed for ageing;
 - (d) quantity manufactured;
 - (e) the quantity issued from the plant with the dates of issue, names of the licensees to whom and the places to which the wine or local fruit beer has been consigned;
 - (f) the balance in stock after each transaction; and

- (g) the quantity of residue and base and the manner of their disposal.
 - (ii) The licensee shall maintain day-to-day accounts showing therein, the stock of wine or local fruit beer at the end of each day.
 - (iii) The entries in the account books shall not be erased or overwritten. If correction is made in any entry it should be rounded in red ink in such manner as to leave it distinctly visible and the correct entry should be inserted above it. Every such correction shall be initialled by the Officer-in-Charge of winery or brewery.
- (10) The licensee shall issue authorisation signed by himself and countersigned by the Officer-in-Charge of winery or brewery to all his agents or servants who are allowed to enter the plant. No person who does not hold an authorisation shall be allowed to enter the plant. It shall be open to the Officer-in-Charge of winery or brewery to cancel any authorisation countersigned by him.
- (11) Except with the written permission of the Commissioner or any other officer so authorised, the licensee shall not sell, transfer or sub-lease the right of manufacture conferred upon him by this licence, nor shall he, in connection with exercise of the said right, enter into any agreement or arrangement which is in the nature of a sub-lease. If any question arises whether any agreement or arrangement is in the nature of sub-lease, the decision of the Government shall be final and binding on the licensee.
- (12) The licensee shall, on a requisition from the Officer-in-Charge of winery or brewery, allow him to take samples of the material used, at any stage and the wine or local fruit beer stored in the plant, free of cost, whenever required for the purpose of chemical analysis. The Licensee shall pay such fee as may be determined by the Government from time to time for each examination of sample made by the Chemical Analyst.
- (13) The licensee shall allow the Officer-in-Charge of winery or brewery or any other Officer duly authorised by the Commissioner to take stock of wine or local fruit beer stored at the plant at least twice in a year. The licensee shall be required to explain the excess or deficiency in the stock if it exceeds or falls short by one per cent. If the explanation is not satisfactory, the licensee may be required to pay such excise duties as may be notified by the Government.
- (14) The licensee shall maintain such weights and measures as may be determined by the Officer-in-Charge of winery or brewery with the previous approval of the Commissioner.
- (15) The licensee shall provide fire extinguisher and other fire safety equipment within the premise of the plant. The licensee should ensure that the staff working in the plant are trained and capable of effectively handling fire safety equipment.
- (16) The Licensee shall provide for an emergency exit in the premises of the plant.
- (17) No wine or local fruit beer shall be removed from the plant without payment of duties and fees under the Act, rules and orders and without production of transport permit from the Competent Authority.
- (18) When required by an Excise & Narcotics officer of and above the rank of Sub-Inspector, every licensee shall assist with sufficient number of staff in taking account of his stock.
- (19) The licensee must install Closed Circuit Television in his establishment covering every working room including bars, main doors, main gate and store rooms. The licensee shall ensure that such CCTV recorded data. Such data stored by the CCTV may be reviewed by the Competent Authority any time.

6. Construction of winery. –

- (1) The licensee shall construct the winery or brewery according to approved plan. Alteration of the plan shall be done only after obtaining approval from the Government.
- (2) Every room, enclosure and vessel shall be numbered and marked with its purpose.

7. Arrangement of winery or brewery. –

- (1) Separate rooms or compartments separated by grills embedded in cement concrete shall be provided for the following purpose in every winery or brewery and no such room or compartment shall be used for more than one of the following purposes namely :-
 - (i) manufacturing;
 - (ii) storage of wine or local fruit beer in bulk and bottling operations;
 - (iii) storage of wine or local fruit beer in sealed bottles, keg, casks, barrels and other receptacles;
 - (iv) there shall be separate tanks for fermentation, storage and fortification;
 - (v) each tank used for fermentation, storage or fortification shall be marked with a permanent serial number and the capacity of such tanks accurately gauged by the Officer-in-Charge of the winery or brewery. A dipping rod shall be provided by the licensee marking the capacity for every centimetre of depth and the dipping point for each tank shall be indicated in permanent point on the tank with the word "DIP";
 - (vi) the licensee shall provide a separate spirit store with double lock arrangements.
- (2) Every room or compartment in the winery or brewery shall be well ventilated and all the windows thereof shall be securely barred and covered with wiremesh of not more than two centimetres. At the close of each working day, the winery or brewery and every room or compartment therein shall be locked by the licensee and the Officer-in-Charge of winery or brewery with separate locks.
- (3) The licensed premises shall be open to inspection at all reasonable hours by Excise & Narcotics Officers authorised in that behalf by the Government or any other officer so authorised.
- (4) All the processes in the manufacture of wine or local fruit beer shall be carried out under the supervision of the Officer-in-Charge of winery or brewery.
- (5) An accurate account of all the articles required for the manufacture of wine or local fruit beer brought into winery or brewery shall be maintained by the licensee and verified by the Officer-in-Charge of winery or brewery.
- (6) The entire process of manufacture, including a correct account of materials used and the time taken or allowed for every stage of manufacture, shall be recorded by the licensee and verified by the Officer-in-Charge of winery or brewery.
- (7) A correct account of the kind and quantity of wine or local fruit beer manufactured shall be maintained by the licensee and verified by the Officer-in-Charge of winery or brewery in Form No. MLPR - I. Three (3) samples of 750 millilitre bottles of every batch of wine or local fruit beer manufactured shall be sent to the Commissioner or any other officer so authorised by the licensee, one sample for being sent to the Chemical Analyst and two samples for being preserved by the Commissioner or any other officer so authorised till such reasonable period as they are required.

- (8) The licensee shall maintain the accounts of transactions of extra neutral alcohol or spirit stores in Form No. MLPR - II.
- (9) A correct account of the residue and the base shall be maintained by the licensee. The residue and the base shall be destroyed in the presence of the Officer- in-Charge of winery or brewery.
- (10) The licensee shall keep such account in a proper register which shall be clear, updated and accurate in all manner. It shall also be liable for inspection at any time by a competent authority.

8. Licensee to give notice of commencement of work. –

Every licensee must give at least fifteen days notice in writing to the Commissioner, of the date on which he proposes to commence work and at least one month's prior notice before he ceases to work.

9. Vessels for storage. –

Extra Neutral Alcohol shall be stored in sound vessels. Each vessel shall bear a serial number, painted or cut thereon. Its external parts must also be clearly visible.

10. Dipping place or level of vessel not to be altered. –

The licensee shall not alter the dipping place or level of any vessel, or any device to be used for taking the gauge of any vessel, to prevent him from taking a true account the quantity contained in any vessel.

11. Materials. –

The materials or bases to be used in making wine or local fruit beer shall only be of such descriptions as are generally approved by Food Safety and Standards Act, 2006 and Food Safety and Standard (Alcoholic Beverages) Regulations, 2018. All materials used must be of good quality, and no ingredients noxious to health be used in distillation, brewing or added to the wine or local fruit beer.

12. Strength of wine or local fruit beer manufactured to be regulated by the Government. –

The strength of wine or local fruit beer manufactured in the plant shall be notified by the Government and shall be subjected to such periodical analysis as the Government may direct, and the licensee shall be bound to take steps to remedy any defects in his product.

13. Periodical stoppage. –

The licensee shall comply with such order issued by the Government for the periodical stoppage of distillation or brewing for the purpose of ascertaining the quantity or quality of wine or local fruit beer in view of materials used.

14. Transfer of wine or local fruit beer from receiver to store-room. –

All wine or local fruit beer collected in the receivers shall be transferred or conveyed into the store (bonded warehouse) without unnecessary delay. No wine or local fruit beer shall be so transferred without the knowledge of Officer-in-Charge of winery or brewery.

15. Fortification of wine or local fruit beer. –

- (1) The wine or local fruit beer manufactured in the licensed premises shall not be fortified except with the permission of the Government.

- (2) A licensee desiring to fortify wine or local fruit beer shall make an application in Form No. MLPR - III to the Commissioner or any other officer so authorised one month before the commencement of the operation.
- (3) On receipt of the application the Government or any officer so authorised if satisfied that there is no objection to grant the permission to fortify wine or local fruit beer may grant the permission and the Officer-in-Charge of winery or brewery shall be present at the time of fortification and the entire operation of fortification shall be under his supervision.
- (4) Fortification shall be made after filtration of wine or local fruit beer and before bottling.
- (5) The tank where filtered wine or local fruit beer is stored shall be gauged by the Officer-in-Charge of winery or brewery in the presence of the licensee or his agent and record the same before the addition of neutral spirit or rectified spirit or pure fruit juice.
- (6) After the spirit or any substance have been added to the wine or local fruit beer, the content of the tank shall be thoroughly stirred to ensure a complete mixture of wine or local fruit beer with the spirit or substance added.
- (7) After adding neutral spirit or rectified spirit or pure fruit juice the said tank shall again be gauged and recorded by the Officer-in-Charge of winery or brewery in the presence of the licensee or his agent.
- (8) Three (3) samples of 750 ml. bottles from each such tank of wine or local fruit beer to which the spirits have been added shall be obtained by the Officer-in-Charge of winery or brewery, one sample for being sent to the authorised Chemical Analyst and two samples for being preserved by the Commissioner or any other officer so authorised till such period as they are required.
- (9) Wine or local fruit beer to which spirit or any substance have been added shall be accounted for separately in Form No. MLPR - IV.
- (10) Every bottle, jar or cask containing fortified wine or local fruit beer shall have on the label affixed the words "Fortified wine or local fruit beer" in a conspicuous manner.

16. Removal of wine or local fruit beer from the winery or brewery. –

- (1) Wine or local fruit beer manufactured in the licensed premises shall not be removed except–
 - (i) for transport within the State of Mizoram under the permit issued by the Assistant Commissioner; and
 - (ii) for exports outside the State, under a permit issued by the Commissioner or another officer so authorised.
- (2) A licensed distributor desiring to remove wine or local fruit beer from the winery or brewery shall make an application in Form No. MLPR - V. Duty at such rates as may be fixed and notified from time to time shall be paid by the licensed distributor before the wine or local fruit beer is removed from the winery or brewery.
- (3) On receipt of an application for a permit for transport within the State, the Officer so authorised by the Commissioner shall, with a challan after having credited excise duty, issue transport permit in triplicate in Form No. MLPR - VI and send one copy of it to the Assistant Commissioner of Excise & Narcotics of the place to which the wine or local fruit beer is to be transported, give the second copy of the permit to the licensee or distributor to accompany the consignment and file the third copy with the challan in his office.

- (4) On receipt of an application for an export permit to export outside the State, the Commissioner or any other officer so authorised shall, with a challan after having credited the excise duty, issue export permit in triplicate in Form No. MLPR - VII and send one copy of the permit to the Commissioner of the place to which the wine or local fruit beer is to be exported, send the second copy of the permit to the licensee or distributor to accompany the consignment and file the third copy with the challan in his office.

17. Verification of consignment on arrival. –

On arrival of consignment of wine or local fruit beer or Extra Neutral Alcohol, the Licensee shall at once report it to the Commissioner or Assistant Commissioner concerned for verification. The consignment should not be opened till the arrival of verifying Excise & Narcotics Officer. The verification of the consignment done by Excise & Narcotics Officer shall be countersigned by the officer authorised by the Commissioner. In the case of stockpoint, hotel or restaurant the verification done by officer endorsed by Assistant Commissioner shall be countersigned by the Officer-in-Charge of winery or brewery of an Excise & Narcotics Station. A copy of the invoice countersigned by concerned officer shall be returned to the sender and one copy be kept in the winery or brewery or stockpoint or hotel or restaurant for audit purposes and such other purpose. He shall make necessary entries in a register.

18. Receipt of wine or local fruit beer. –

No wine or local fruit beer or ENA (Extra Neutral Alcohol) shall be received in any stockpoint or hotel or restaurant or winery, or other places of storage unless accompanied by a pass from an Officer-in-Charge of the winery or brewery or distillery from which they have been procured and by a permit from the Commissioner granting its import or transport permit issued by Assistant Commissioner.

19. Establishment for supervision of winery etc. –

The winery or other places of storage shall be under the charge of an Officer-in-Charge of winery or brewery appointed by the Commissioner or Assistant Commissioner of the district with supporting staff as the case may be. The licensee shall also employ adequate security at his own cost as may be directed by the Commissioner.

20. Entry of persons into winery and brewery or other places of storage. –

Winery or brewery or other places of storage shall be opened only for the entrance and exit of persons who have official business within. Except with the permission of the Officer-in-Charge of winery or brewery, no one other than superior officers of the Excise & Narcotics Department, licensee or their regular employees and licenced vendors who have come to purchase wine or local fruit beer, shall be allowed to enter the premises. All persons employed on regular basis by the licensee shall be supplied with photo identity cards which shall be used as passes for entry and exit. Persons given permission by the Commissioner or Officer-in-Charge of winery or brewery shall be issued temporary passes.

21. Ejection of undesirable persons. –

The Officer-in-Charge of a winery or brewery or other places of storage, may eject and exclude from the premises any person whom he finds to have committed, or to commit any breach of these rules or the provisions or who is intoxicated, riotous or disorderly. All actions taken by any

such officer under these rules shall forthwith be reported by him in writing to his official superiors.

22. Licensee etc. bound by provisions of the Act and rules. –

Licensee of a winery or brewery or other places of storage shall be bound by the provisions of the Act and rules, and by all special orders which may be issued by the Commissioner or any authorised person regarding winery or brewery or other places of storage, and shall cause all persons employed by them to obey all such rules.

23. Working hours in a winery or brewery, retail shop or other places of storage. –

The opening hours of winery or brewery or retail shop or other places of storage shall be fixed by the Commissioner. The Commissioner may, on sufficient and reasonable ground, direct such establishment to be opened even on a holiday or be closed on any working day.

24. Bond for transport of wine or local fruit beer. –

Wine or local fruit beer intended for stockpoint, hotel or restaurant is transported under bond and is the sole risk and responsibility of the winery or licensee of the stockpoint, hotel or restaurant. The bond is discharged when the liquor is deposited in a retail shop.

25. Disposal of wine or local fruit beer on expiry of license. –

- (1) On the expiry of the licence either on account of expiry of the term, or on account of cancellation or suspension, the Commissioner may take over or permit the successor of the licensee of the winery or brewery or stockpoint as the case may be, to take over the balance of wine or local fruit beer at cost price(ex-bonded price), or may require the licensee of the winery or brewery or stockpoint or other places of storage, as the case may be, forthwith to remove all wine or local fruit beer remaining within the winery or brewery or stockpoint on payment of duty and fees in full.
- (2) If the licensee fails to remove all the wine or local fruit beer within thirty days of the receipt of written notice from the Commissioner, the cost of any establishment which may be necessary to employ at the winery or brewery or stockpoint or other places of storage, may be recovered from the defaulter, and if he fails to do so within one month, the wine or local fruit beer shall be liable to forfeiture at the discretion of the Commissioner.
- (3) A person who has been a licenced distributor may, on the expiry of his licence, and with the sanction of the Commissioner, sell wholesale to another licenced vendor any wine or local fruit beer which he is authorised under the conditions of his licence to sell and of which he has been lawfully in possession, provided that the wine or local fruit beer is fit for consumption:

Provided further that, if the Commissioner considers that the wine or local fruit beer or any part thereof is unfit for consumption or has otherwise deteriorated so as to be unsaleable, he shall cause the same to be destroyed without any compensation.

26. Prohibition of smoking and use of fire. –

Smoking or the use of fire whatsoever by any person within the premises of winery or brewery or stockpoint or other places of storage is prohibited.

27. Taking stock accounts. –

Every licensee shall, when required by Officer-in-Charge of winery or brewery, assist with sufficient number of personnel in taking account of his stock.

28. Submission of monthly statement. –

- (1) At the close of each month the Officer-in-Charge of winery or brewery shall submit in duplicate through the Assistant Commissioner of the District to the Commissioner, a monthly statement of manufactured wine or local fruit beer and/or export of wine or local fruit beer together with duplicate copies of transport permit, in Form No.MLPR - VIII showing for the month concerned, all details of such wine or local fruit beer manufactured or exported to other states and the amount of duty collected. One copy shall be retained by the concerned Assistant Commissioner.
- (2) The Officer-in-Charge of winery or brewery shall also submit in duplicate to the Commissioner monthly statement showing details of stock of wine or local fruit beer through the Assistant Commissioner of the District concerned in Form No.MLPR - IX. One copy shall be retained by the concerned Assistant Commissioner.

29. Chemical Laboratory. –

- (1) The licensee shall establish a well-equipped chemical laboratory to the satisfaction of the Government within the premises of the winery or brewery to check the quality of raw materials used and to check and analyse the wine or local fruit beer produced in the winery or brewery, which shall be manned by a Chemist holding a degree in Science with Chemistry as one of the subjects, preferably Organic Chemistry or Bio-Chemistry or specialisation in Alcohol Technology, or by an authorised Chemical Analyst. The Government may also establish laboratory for analysis of wine or local fruit beer.
- (2) The wine or local fruit beer produced in the winery or brewery shall be released for sale only after the person referred to in sub-rule (1) certifies that such wine or local fruit beer is fit for human consumption.
- (3) The licensee shall register his plant with such competent authority to ensure such standard in regard to food safety i.e FSSAI Registration under Food & Drugs Administration. Registration to such authority with registration number shall be shown on the label.

30. Drinking Age. -

No person under the age of 21 years shall be allowed to purchase and consume any wine or local fruit beer containing alcohol.

31. Cost of wine or local fruit beer to be displayed. –

The price or maximum retail price (Maximum Retail Price) of each wine or local fruit beer shall be displayed conspicuously in a board inside the retail shop. MRP shall not be overwritten by any means whatsoever.

32. Import of Extra Neutral Alcohol, rectified spirit and ethanol. –

Import of Extra Neutral Alcohol, rectified spirit or ethanol in any quantity to Mizoram is prohibited except under the cover of permit and unless the conditions of these rules or orders or instructions are fulfilled.

33. Person eligible to import Extra Neutral Alcohol, rectified spirit or ethanol. –

- (1) Permit for the import of Extra Neutral Alcohol, rectified spirit or ethanol from other states shall be issued only to licence holder by the Government.
- (2) A holder of licence intending to import Extra Neutral Alcohol, rectified spirit or ethanol into Mizoram must either personally or through his agent first submit an application in Form No. MLPR - X to the Commissioner of Excise & Narcotics stating clearly the following particulars, namely :-
 - (i) The name of the distillery or the distributor or of the firm from which the import is to be made;
 - (ii) the alcoholic strength of the Extra Neutral Alcohol, rectified spirit or ethanol ;
 - (iii) the route by which it is proposed to import;
 - (iv) the amount of duty leviable on total quantity of the Extra Neutral Alcohol, rectified spirit or ethanol to be imported.

NOTE: *A separate application shall be necessary in respect of each consignment.*

- (3) The Government or any officer authorised may issue permit for import of Extra Neutral Alcohol, rectified spirit or ethanol to licence holder in Form MLPR - XI.

34. Application for export or transport of wine or local fruit beer. –

- (1) A holder of licence wishing to transport wine or local fruit beer within Mizoram must either personally or through his agent first submit an application in Form No. MLPR - XII to the Assistant Commissioner of the district stating clearly:-
 - (i) The name of the licenced distributor or of stockpoint or hotel/restaurant to which wine or local fruit beer is to be transported;
 - (ii) number and mode of receptacles or packages containing wine or local fruit beer;
 - (iii) the alcoholic strength;
 - (iv) the quantity of wine or local fruit beer, which is to be transported, and whether the transport is to be made in bulk or in bottle or can;
 - (v) the route by which it is proposed to transport;
 - (vi) the amount of pass fee leviable on total quantity of wine or local fruit beer to be transported.
- (2) A holder of licence wishing to export wine or local fruit beer from Mizoram to other states must either personally or through his agent first submit an application in Form No. MLPR - V to the Commissioner by stating the following, namely :-
 - (i) The name of the distillery or the distributor or bonded warehouse or of the firm to which wine or local fruit beer is to be exported;
 - (ii) number and mode of receptacles or packages containing wine or local fruit beer;
 - (iii) the alcoholic strength;
 - (iv) the quantity of wine or local fruit beer, which is to be exported, and whether the export is to be made in bulk or in bottle or can;
 - (v) the route by which it is proposed to export; and

(vi) the amount of pass fee leviable on total quantity of wine or local fruit beer to be exported.

NOTE: A separate application shall be necessary in respect of each consignment.

35. Permit for transport or export of wine or local fruit beer. –

The Competent authority may issue permit for export or transport of wine or local fruit beer in Form No. MLPR - XIII after payment of export or transport fee.

36. Fixation of licence fee, export/transport fee or excise duty. –

The Government may, by notification, fix excise duty, export or transport fee, label fee, licence fees and security fees from time to time.

37. Labelling. –

- (1) Labelling should be done as per the labelling provisions specified in the Food Safety and Standards (Packaging and Labelling) Regulation, 2018.
- (2) Alcohol content shall be expressed as per cent (abv) or as proof.
- (3) It should indicate the origin (country or state) of wine and declare the range of sugar.
- (4) It should declare the name of variety of grape or fruit used.
- (5) It should not contain any nutritional information on the label.
- (6) No health claim shall be made on alcoholic beverage.

38. Hologram. –

Registered hologram as approved by the Commissioner shall be affixed on the cap of the wine bottle or local fruit beer manufactured in Mizoram so as to prevent duplicity. The manufacturer of wine or local fruit beer shall purchase such approved hologram only from the Commissionerate of Excise & Narcotics, Aizawl, Mizoram. No manufacturer or wholesaler shall sell wine or local fruit beer without approved hologram.

CHAPTER – IV
DISPOSAL OF CONFISCATED ARTICLES

39. Confiscated articles to be made over to Commissioner or Assistant Commissioner of Excise & Narcotics. –

When in any case a Magistrate orders the confiscation of articles under this Act, such articles shall be handed over either to the Commissioner or the Assistant Commissioner of Excise & Narcotics in-charge of a District. The same shall be kept in Excise & Narcotics custody which shall be at the disposal of the Commissioner:

Provided that proper accounts and records of such confiscated articles shall be maintained by the Commissioner and the Assistant Commissioner, as the case may be, and that verification of stock and records shall be done every six months.

40. Mode of disposal of confiscated articles. –

The disposal of confiscated articles by orders of a Magistrate shall be deferred till the period of

appeal against such orders has expired, or if an appeal be made against such orders, till the appeal is disposed of;

Provided that –

- (1) the sale of any animal or article ordered to be confiscated shall not be deferred unless the owner or his agent deposited to the Assistant Commissioner of Excise & Narcotics in-charge of a District such sum as that officer may consider to be required and to be sufficient for the up keep or safe custody of such animal or thing, pending the result of an appeal.
- (2) if the confiscated article be of a perishable nature it may be disposed of immediately.

41. Disposal of confiscated article if order is reversed. –

- (1) If any order of confiscation of article be reversed on appeal, such article, or the sale-proceeds thereof and the amount, if any deposited for the keep or safe custody of such article shall at once be returned to the owner thereof, or his agent as per order that may be issued by the Court.
- (2) If no one appears within one month from the order to appeal or claim ownership of the confiscated article, such article or the sale-proceeds thereof if any, shall be forfeited to the Government.

42. Disposal of confiscated article. –

- (1) All confiscated liquor which are known to have been of licit origin and not tampered with shall be kept in the Departmental Store established by the Government for supply to the permit holders for consumption. The rest shall be destroyed. Price fixation of confiscated liquor shall be as per notification made by the Government from time to time.
- (2) Confiscated denatured spirit, rectified spirit, absolute alcohol and any other kinds of spirit shall be deposited into the Departmental Store established by the Government for supply to hospitals, dispensaries and other institutions run by the Government at free of cost.
- (3) When an article is confiscated under section 39 of the Act, it shall be disposed of in the following manner . –
 - (i) When such article, in the opinion of the authorised officer does not exceed ten thousand rupees in value, it may be sold by such authorised officer to the highest bidder or in his discretion released on payment to such sum as he may think fit, or, with the sanction of the Government, retained for the use of the Excise & Narcotics Department;

Provided that articles that required licence or permit shall be disposed of to licence or permit holders only.

- (ii) When such article, in the opinion of the authorised officer of the District exceed ten thousand rupees in value, it shall be disposed of at the direction of the Commissioner, who may in special cases refer the matter to the Government for orders.

43. Deposition of sale-proceeds of confiscated articles. –

The sale-proceeds of all confiscated articles shall be deposited into the revenue account of Excise & Narcotics Department through Treasury Challan to be countersigned by the Assistant Commissioner of Excise & Narcotics or any other Officer duly authorized by him on this behalf.

CHAPTER – V
DEPARTMENTAL STORE

44. (1) *Establishment of Departmental Store :*

There shall be a Departmental Store for the stock of confiscated India Made Foreign Liquor, Foreign Made Liquor etc. under the direct control and supervision of the Excise & Narcotics Department for issue to the permit holders for possession and consumption of Indian Made Foreign Liquor in Mizoram. All the confiscated liquors which are known to have been of licit origin and not tampered with shall be deposited to the Departmental Store established by the Government.

(2) *Officer-In-Charge of Departmental Store :*

The Commissioner may designate anyone of the Inspector of Prohibition as the Officer-In-Charge of the Departmental Store who shall be responsible for proper maintenance of all records of receipt, stock, issue and destruction of liquor in the Departmental Store, and shall submit monthly returns in Form No. MLPR - XIV to the Commissioner.

(3) *Issue of confiscated foreign liquor from Departmental Store :*

- (i) The confiscated liquor kept in the Departmental Store shall be issued by the Officer-In-Charge of the store only to permit holders for possession and consumption of Indian Made Foreign Liquor at a reserved price to be fixed by the Commissioner from time to time. The quantity of liquor issued to a permit holder at a time shall be shown in the permit as set forth in Form No. MLPR - XV called “Red Card”.
- (ii) Permit mentioned in clause (i) shall be granted for not more than one year at a time. On expiry of the permit, the holder may apply for renewal with fresh prescription from the Registered Medical Practitioner and on payment of fresh licence fee.
- (iii) In case of loss or destruction or damage, duplicate copy of the original permit shall be issued on payment of five hundred rupees only on confirmation of loss or destruction to the satisfaction of the permit issuing authority.

(4) *The Commissioner or any other officers duly authorised by him should check the stock of liquor in the store and inspect the accounts once in a month or as directed by the Commissioner from time to time.*

45. Grant of permit to foreign dignitaries and domestic and foreign tourist. -

- (1) For a foreign tourist holding tourist introduction card or tourist visa along with valid restricted area permit, special permit shall be issued for the period the applicant intended to stay in Mizoram but not exceeding 30 (thirty) days in any case. The permit holder shall be allowed to possess or bring liquor into Mizoram a quantity not exceeding 12 (twelve) bottles of 750 ml each or 9 (nine) litres in bulk quantity at a time.
- (2) A tourist from other parts of the country having tourist introduction card either from the Director of Tourism, or any other department of the State Government may be granted special permit for possession and consumption of liquor for a period not exceeding 30 (thirty) days in any case. The domestic tourist shall be allowed to possess or bring liquor into Mizoram a quantity not exceeding 12 (twelve) bottles of 750 ml each or 9 (nine) litres in bulk quantity at a time.

- (3) Whenever any head of a foreign country, ambassador or diplomatic personnel visit Mizoram in the course of his official duties, he may be granted a special permit for consumption of foreign liquor without recovery of any fee under the Act. The permit issuing authority may determine the possession limit of liquor according to the circumstance of the case.

46. Payment of duty and fee by armed forces and issue of permit. –

- (1) A licence holder, under section 45(C) of the Act, shall apply in Form No. MLPR - XVI to the Assistant Commissioner of the district for issue of permit for import of liquor and pay Excise duty and/ or fees as may be notified by the Government from time to time through Treasury Challan. The original copy of the challan should be kept in the office of the Competent Authority.
- (2) On payment of duty or fees as stated in sub-rule (1), the Competent Authority shall issue permit in Form No. MLPA - II in Quadruplicate to the licensee for import of liquor. One copy of the permit should be retained by the office for record.
- (3) On receipt of a consignment, the licensee shall at once notify its arrival to the Competent Authority and shall not open the consignment until it has been examined by an officer from the issuing authority or unless the Competent Authority has for reason to be recorded in writing, intimate that it need not be examined.

CHAPTER – VI
STATE PROHIBITION COUNCIL AND DISTRICT PROHIBITION
CO-ORDINATION COMMITTEE

47. (1) Composition of State Prohibition Council. –

The State Prohibition Council shall consist of a Chairman; a Vice Chairman and a Secretary with any number of members not exceeding ten. As a general procedure, the Commissioner, Excise & Narcotics Department shall be a Member Secretary of the Council.

- (2) The term of the Council shall be two years at the first instance which may be extended for any longer period as deemed necessary by the State Government.

48. Functions and duties of the Prohibition Council. –

- (1) The State Prohibition Council shall function as an Advisory Body to the Government in regard to the implementation of the Act.
- (2) The State Prohibition Council shall have an in-depth study on the progress or otherwise of the introduction of prohibition in the state and shall also have an in-depth study of the repercussion of the introduction of prohibition.
- (3) The State Prohibition Council shall make assessment of the situation and the problems of unauthorized manufacture, possession, sale and consumption of liquor including bootlegging and drunkenness and submit reports to the Government for further action as it deemed fit and proper.

49. Allowances of member of the Council. –

The allowances or fees to be paid to the non-official members of the State Prohibition Council

shall be as notified by the Government from time to time.

50. Allowances or fees to be paid for the day(s) of sitting only. –

Such non-official members shall be entitled sitting allowances or fees only for the day or days for which they held a meeting. In any case, the State Prohibition Council or the District Prohibition Co-ordination Committee should not hold a meeting for more than two consecutive days at a time.
